Dear Sandra,

After review of the educational activities for “**27th Annual Education Course**” it has been determined that **5** contact hours meet the requirements for GI specific category one contact hours.

You may include the following statement on your Certificate of Attendance:

“According to the criteria of the American Board of Certification for Gastroenterology Nurses (ABCGN), 5 hours earned in this activity are considered GI Specific for the purpose of recertification by contact hours through the ABCGN.”

ABCGN tracking number: GI2011-170

It was determined that no GI-specific credit would be given for website search for EB material/complimentary therapies, according to the GI-specific criteria listed in the Recertification Handbook located at www.abcgn.org.

If you have any questions, please feel free to contact me.

Sincerely,

Erin Butler
ABCGN Executive Director
